Barracks Daily

ISSUE 7

08 Aug 08

Know your airplanes! Yesterday's aircraft was a U-2. What type of aircraft is this? Yes, its this one again!!!

Safety Paranoia!!!

Cadets, tomorrow we will be going to the obstacle course! It will be fun but you need to remember some safety tips!! Remember, drink lots of water!! Use plenty of sun screen, don't exceed your limits, and follow all instructions please!!

Day Seven

Well cadets, there you have it, day seven has finally come and gone. Tomorrow is day eight which means it is your official last full day of encampment! That means that you will all be going home and I might not see some of you again!! That makes me sad!!! I promised myself I wouldn't cry and now look what you all did to me! Just give me a moment...ok, I'm better now. Anyway, tomorrow you will be going to the obstacle course!! That is always a blast! I can't wait!!

Barracks Extras

Picture of the Day: **Don't blink...darn!!**

Word of the Day: **Rubber Ducky!!!!**

Mistake of the Day: **Leaving your room trashed with the lights on and door open.**

Merits of the Day: **Sergeant Hodges for filling up the ice water all week long!**

Tip of the Day: **Cadets, get a good nights sleep so you don't have to sleep during class.**

Joke of the week: **The game. The only way to win is to forget that you are playing. If you remember that you are playing or think about the game, you lose. If you lose you have to publicly announce that you just lost the game! If someone around you doesn't know what it is then you explain the rules to them. In five minutes everyone who read this will be playing the game!!!! Good luck! Don't lose!!!! (Game restarts every 5 min.)**

Quote of the Day:

“Push yourself to the limit; without going off the edge!”
