Welcome to the 2008 Wyoming Wing Encampment

Welcome to the 2008 Wyoming Wing Encampment and Camp Guernsey! Without you this encampment would be useless (seriously!), so please accept our thanks for giving a week to come and train. We hope you enjoy your time here, and no matter what happens, stay professional and calm. We are here for serious training, but you should have fun too! We hope you can all go home a little smarter and better trained than when you first arrived! CAP Rules!

Quote of the Day:

"If you're early, you're on time, if you're on time, you're late, and if you're late you're left!" Cadet Captain Gould

DAILY SHOTS

Line staff chillin' in the heat.

Hustle staff! The cadets will be here tomorrow!!

A class reminding the staff the encampment is for teaching the trainee cadets, and not for entertaining the staff.

Our home for 2008. Anyone else missing last year's barracks?
