Well cadets, that's it. You're going home tomorrow and this is the last 2008 Barracks Daily we will publish. I didn't get to know some of you as well as I would have liked and I apologize for that. Those that I did get to know I will miss you all and I hope to see you next year, or sometime sooner! We had a great week and got to do some amazing things. I hope to see you all again and can't wait till I do. Till then, have a good one!

Got a little captain in you? Oh wait, he's only a lieutenant...

I'm not dead! I'm just sleepy, that's all.

There's the love!
