

WYOMING WING ENCAMPMENT, CIVIL AIR PATROL

# Barracks Daily

ISSUE 6

07 Aug 08

Know your airplanes! Yesterday's aircraft was a... it's a surprise! Who can get it first? What type of aircraft is this?

## Safety Paranoia!!!

Cadets, we had a fun day but you still need to be aware that you are at an encampment. That means that you still need to be careful! I saw a lot of unnecessary horseplay yesterday, though nothing to bad. Just be careful!!!

## Day Six

Bang! Bang! Bang! Bang! Bang! Thwump!! Boom!! Wait!! That was yesterday! Today we got to do some hiking, which was just as fun in my opinion! The compass course was harder this year than what I remembered but that just makes it interesting. And those MRE's! wow, that's the military life for me! I like them but I have heard that not everyone does. Oh well, their loss! Then we got wet, yes wet! We went for a swim and had some fun, had a barbecue, and had a lot of laughs!! Even Lieutenant Colonel Davis joined in for a swim! And what will we be doing today? I truthfully don't know!! So lets see.
